TERMINAL DISCLAIMER OF ASSIGNEE

Dear Sir:

Ashland Licensing and Intellectual Property LLC, a Delaware limited liability company whose address is 5200 Blazer Parkway, Dublin, OH 42017, represents that it is the assignee and the exclusive owner of the entire right, title, and interest of, in and to the above-identified pending U.S. Patent Application Serial No. 10/809,199 filed on March 25, 2004 and the invention

disclosed therein and that Ashland Licensing and Intellectual Property LLC is also the assignee and the exclusive owner of the entire right, title, and interest of, in and to U.S. Patent 6,822, 012 issued on November 23, 2004 from U.S. application Serial No. 09/693,366 filed on October 20, 2000, and the invention disclosed therein;

Ashland Licensing and Intellectual Property LLC. hereby disclaims the terminal part of any patent granted on the above-identified application, which would extend beyond the expiration date of U.S. Patent 6,822,012 and hereby agrees that any patent so granted on the above-identified application shall be enforceable only for and during such period that the legal title to said patent shall be the same as the legal title to U.S. Patent 6,822,012; this agreement to run with any patent granted on the above-identified application and to be binding upon the grantee, its successor or assigns.

Petitioner does not disclaim any terminal part of any patent granted on the above-identified application prior to the expiration date of the full statutory term, as presently shortened by any terminal disclaimer of U.S. Patent 6,822,012 in the event that it later expires for failure to pay a maintenance fee, is held unenforceable, is found invalid, is statutorily disclaimed in whole or terminally disclaimed under 37 CFR 1.321(a), has all claims canceled by a reexamination certificate, or is otherwise terminated prior to the expiration of its statutory term as presently shortened by any terminal disclaimer, except for the separation of legal title stated above.

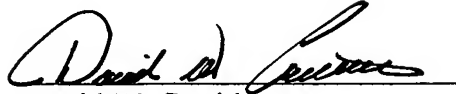

For submission on behalf of a corporation, the undersigned is empowered to act on behalf of the organization.

A check is enclosed as payment for the statutory terminal disclaimer fee in the amount of \$130.00 under 37 CFR 1.20(d).

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.

The undersigned is the attorney of record.

Respectfully submitted,

A handwritten signature in black ink, appearing to read "David W. Carrithers", is written over a horizontal line.
